Do not miss this opportunity to learn how to:

- *Assess the risks & identify potential land mines that you may face in your retirement years.*
- *Implement strategies to help protect you, your family, your business, and your nest egg.*
- *Plan for unexpected healthcare emergencies and long-term care needs (prior to a crisis), and why doing so is a critical component of a comprehensive retirement strategy.*
- *Create (or update) your estate plan, so that it accurately reflects your wishes and goals.*
- *Create a life care plan that utilizes comprehensive, well thought out Powers of Attorney, should there ever be a time that you are incapacitated.*
