## ELDER LAW CENTER, P.C.

(a division of MWWRL&J)

Attached is our Client Information Form. Your completed form will be reviewed with you when we meet. The purpose of this form is to provide our office with information that will assist us in advising you at your initial consultation. Everyone's situation is unique, and the information you provide will allow us to give you specific advice and tailor our recommendations to your individual needs. It will also enable you to maximize your time with the attorney—rather than spending significant time obtaining your background financial and personal information, the attorney can devote more time to answering your questions and providing you with information.

We understand that the Client Information Form requests sensitive and, in some instances, confidential information. Our office will keep this information confidential, and will not disclose this information unless you provide authorization for us to do so.

Please complete the form to the best of your ability prior to our meeting. If you have questions or need assistance filling out the form, please contact our office.
